Television
By Roald Dahl

The most important thing we've learned,
So far as children are concerned,
Is never, NEVER, NEVER let
Them near your television set --
Or better still, just don't install
The idiotic thing at all.

In almost every house we've been,
We've watched them gaping at the screen.
They loll and slop and lounge about,
And stare until their eyes pop out.

So please, oh please, we beg, we pray,
Go throw your TV set away.

That nauseating, foul, unclean,
Repulsive television screen!
And later, each and every kid
Will love you more for what you did.

Excerpt is taken from a poem "Television" by Roald Dahl
